Who We Are

Free For All Outreach Ministry (FFAOM) focuses on teaching biblical principles, as directed by the Word of God. We feed the poor, visit the sick, give guidance to youths and help to fulfill the needs of the community.

We maintain a safe, welcoming, respectful and inclusive environment for all who come in contact with our ministries.

Events

Mother's Day

The ladies were treated to a special show of appreciation by all the men in the church who went above and beyond the call of duty: the ladies were gallantly assisted to their seats then served a very delicious three-course homemade meal on the good china no less. The evening closed with a lovely plant given to all the ladies (notice I keep using the term "all ladies", because ever woman received the same treatment). Not only were ladies treated well but the men thoroughly cleaned-up and in doing so raised the bar for Father's Day!

Father's Day

After the show put on by the men, the ladies were could not to be outdone. The youths helped to decorate the church with posters that illustrated what it means to be a father. While the number of fathers in attendance was low, the spirit of the day was captured in the touching speeches made by a number of the ladies in the ministry. The fellowship, food and festivities when long way in letting the men know how much they are appreciated and loved.

more I realize just how intricate food is in every even we undertake. It exposes our cultural similarities and differences and provides neutral grounds to: share information, connect with others and try something new. Yeah, family days are pretty cool.

### The Picnic

Yes, it was another year of fun, frolic and loads upon loads of food. It turned out to be a great day to fellowship in the park but it did not start out that way. As the ominous black clouds unexpectedly appeared and the heavy rain pelted down, everyone in the big yellow school bus sang and gave thanks to God all the way from Toronto to Hamilton's Confederation Park. God hear our prayers as the clouds disappeared and the sun came out long enough for us to enjoy the beach, the activities and yes, I dear say, the food! It was a fabulous day. Many thanks to the bus driver who was most calm especially through the storm that caught us on the way back.

### FFAOM Update...

WE DID IT! With the help of God, members, friends and family, we finished the renovations in the new building and hold a building dedication service on July 19th. The work is not over but we need to give thanks to God for his many blessings and giving us a dedicated Pastor!
